PROCESS INSTRUMENTATION AND PLANT UTILITIES MEASUREMENTS

- Flow & Density Measurement Devices
- Level Controls, Transmitters & Alarms
- Flammable & Toxic Gas Detectors
- Temperature, Pressure & DP Transmitters
- Pressure & Temperature Switches
- Pressure Gauges & Thermometer _____ **In Stock!!!**
- Sight Flow Indicators and Vessel Sight Windows
- Digital Panel Meters, Indicators, Controllers and monitoring
- Positive Displacement Meters
- Analytical & Environmental - Oxygen Analyzer, Combustion Efficiency, pH, CEMS, Conductivity, Dissolved Oxygen, Chlorine
- Precision Temperature Control, Process Control and Data Recording

SAFETY RELIEF AND VESSEL PROTECTION

- Rupture Discs
- Pressure/vacuum Relief Valves and Emergency Tank vents
- Flame Arresters & Tank Blanketing
- Biogas Processing / Waste Gas Burners/Flares

STEAM SYSTEM SPECIALTIES AND HEAT TRANSFER

- Steam Traps, Regulators, Air Vents, Strainers _____ **In Stock!!!**
- Process Heating Systems - Steam and Electric Driven
- Condensate Recovery Systems - Pressure Powered and Electric Pumps
- Removable Insulation Jackets for Pipes, Valves, and Heavy Equipment
- Sampling System & Specialty Heat Exchanger
- Multi Media Filtration and Reverse Osmosis Systems
- Boilers, Dearators and Feed Water Tanks
- Exhaust Heat Recovery, Economizers
- Clean Steam Generators
- Fuel Pump Motor Assemblies, Day Tanks, Leak Detection Systems
- Boiler Control Systems, Flame Safeguard, Combustion Systems
- Heat Exchangers and Replacement Parts
- Ultrasound Detectors for Predictive Maintenance & Energy Savings

VALVES AND FLUID CONTROL

- Automated on-off and tight shut-off rotary valves with network-ready capability
- 2-3-4 way ASCO Red Hat Solenoid Valves _____ **In Stock!!!**
- Filters, Regulators and Lubricators
- Control Valves, Actuators and Valve Monitoring Systems/Switches
- Severe Duty High Pressure & Temperature Ball Valves
- Thermoplastic Valves for Corrosive Fluids
- Ball, Butterfly, Angle Seated and Globe Valves

INDUSTRIAL PRODUCTS

- Industrial Clutches & Brakes
- Industrial Communication Systems/Telephones
- Vapor Phase Corrosion Inhibitors (VpCI) Technology for the protection of electronics, enclosures, and utilities components _____ **In Stock!!!**

SERVICES

- Process Instrumentation Troubleshooting, Calibration & Maintenance
- Steam System Audits and Steam Trap Surveys
